

LF224-6 Environmental Biology Lab for GSD students

20/21

Department

Life Sciences

Level

Undergraduate Level 2

Module leader

Isabelle Carre

Credit value

6

Module duration

4 weeks

Assessment

100% coursework

Study location

University of Warwick main campus, Coventry

Description

Introductory description

LF224-6 Environmental Biology Lab for GSD Students.

Module aims

.

Outline syllabus

This is an indicative module outline only to give an indication of the sort of topics that may be covered. Actual sessions held may differ.

.

Learning outcomes

By the end of the module, students should be able to:

- .

Research element

Biology lab

Subject specific skills

.

Transferable skills

.

Study

Study time

Type	Required
Lectures	1 session of 1 hour (2%)
Practical classes	3 sessions of 1 hour (5%)
Private study	56 hours (93%)
Total	60 hours

Private study description

No private study requirements defined for this module.

Costs

No further costs have been identified for this module.

Assessment

You do not need to pass all assessment components to pass the module.

Assessment group A1

	Weighting	Study time
Written Report	100%	

Feedback on assessment

Annotated copies of the work and feedback comments will be provided via Moodle.

Availability

Courses

This module is Optional for:

- Year 2 of UIPA-C1L8 Undergraduate Life Sciences and Global Sustainable Development
