

# PS220-15 Social Psychology

**20/21**

**Department**

Psychology

**Level**

Undergraduate Level 2

**Module leader**

Jesse Preston

**Credit value**

15

**Module duration**

12 weeks

**Assessment**

33% coursework, 67% exam

**Study location**

University of Warwick main campus, Coventry

---

## Description

### Introductory description

The module discusses social psychology as the scientific study of human behaviour as influenced by other people and the social context in which this occurs.

[Module web page](#)

### Module aims

It aims to provide an introduction to central concepts, theories and research in social psychology, and to discuss the contribution which social psychology makes to understanding the individual as a social being within a social context and the relationship between the two.

### Outline syllabus

This is an indicative module outline only to give an indication of the sort of topics that may be covered. Actual sessions held may differ.
