

BS354-24 Assessments for Biological Sciences

21/22

Department

Life Sciences

Level

Undergraduate Level 3

Module leader

Keith Leppard

Credit value

24

Module duration

20 weeks

Assessment

100% coursework

Study location

University of Warwick main campus, Coventry

Description

Introductory description

BS354-24 Assessment for Biological Sciences

Module aims

To complete the development of students' research and transferrable skills through a program of laboratory and tutorial activities (continuation of programs in Years 1 and 2).

Outline syllabus

This is an indicative module outline only to give an indication of the sort of topics that may be covered. Actual sessions held may differ.

Students will complete the third year of a laboratory and tutorial-based skills program. The key aims of the year 3 program are to embed final year level literature and practical research skills and communication skills. This will be achieved through a combination of tutorial set tasks, some of which are formative and some summatively assessed, and laboratory classes.

Learning outcomes

By the end of the module, students should be able to:

- On completing this module, students will be able to:1. Write detailed and well-researched essays on a variety of topics. Research topics in the literature.2. Demonstrate ability to critically interpret scientific papers

Subject specific skills

.

Transferable skills

.

Study

Study time

Type	Required
Seminars	4 sessions of 1 hour (2%)
Tutorials	8 sessions of 1 hour (3%)
Other activity	50 hours (21%)
Private study	178 hours (74%)
Total	240 hours

Private study description

178 hrs self-study and preparation of assessments

Other activity description

Laboratory sessions

Costs

No further costs have been identified for this module.

Assessment

You do not need to pass all assessment components to pass the module.

Students can register for this module without taking any assessment.

Assessment group A4

	Weighting	Study time	Eligible for self-certification
Assessment component			
Laboratory Work	50%		Yes (extension)
Reassessment component is the same			
Assessment component			
Experimental Design	8%		Yes (extension)
Reassessment component is the same			
Assessment component			
Tutor's Choice	8%		Yes (extension)
Reassessment component is the same			
Assessment component			
Research Seminar	25%		No
Reassessment component is the same			
Assessment component			
Scientific Paper (Ethical Approval)	9%		Yes (extension)
Reassessment component is the same			

Feedback on assessment

Regular small group meetings with tutor; digital written feedback on on-line assessments; oral feedback on seminar presentations

Availability

Courses

This module is Core for:

- UBSA-3 Undergraduate Biological Sciences
 - Year 3 of C102 Biological Sciences with Cell Biology
 - Year 3 of C103 Biological Sciences with Environmental Resources
 - Year 3 of C104 Biological Sciences with Microbiology
 - Year 3 of C105 Biological Sciences with Molecular Genetics
 - Year 3 of C107 Biological Sciences with Virology
