Assessment

100% coursework

Study location

University of Warwick main campus, Coventry

Description

Introductory description

Companies increasingly realize that creating and sustaining a competitive edge requires them to think and act like entrepreneurs. The concept of corporate entrepreneurship or intrapreneurship refers to the development of new ideas and opportunities within established businesses, leading to improved profitability and an enhanced competitive position.

Module aims

This module is designed to provide a broad understanding of the theory and practice of corporate entrepreneurship and to address the challenges associated with entrepreneurship in a corporate context. Through a combination of interactive lectures, class discussions, case studies, readings and guest lectures, students will gain insights into the practical steps needed to initiate, develop and implement new corporate ventures within established corporations. Moreover, students will learn how to design and implement a compelling strategy which promotes corporate entrepreneurship and the generation of new ideas within an existing organization.

Outline syllabus

This is an indicative module outline only to give an indication of the sort of topics that may be covered. Actual sessions held may differ.

This module covers the following topics:

- Introduction to corporate entrepreneurship.
- Forms, pre-conditions and antecedents of corporate entrepreneurship.
- Obstacles to and risks of corporate entrepreneurship.
- The impact of corporate strategy and structure on intrapreneurship.
- Corporate spin-offs and corporate venture capital.
- Building supportive organizational cultures.
- Human resource management and corporate entrepreneurship.

Learning outcomes

By the end of the module, students should be able to:

- Demonstrate a broad understanding of the entrepreneurial process within an established enterprise.
- Appreciate the importance of corporate entrepreneurship for creating and sustaining competitive advantage.
- Explore the different creative ways to overcome obstacles to entrepreneurship in established companies.
- Develop a deep understanding of a strategies and structures that support entrepreneurial behaviour and promote a company's entrepreneurial activities.
- Become familiar with framing and presenting new business ventures in a way that makes them attractive to various corporate audiences.
- Demonstrate the ability to think critically about entrepreneurial processes within established organizations.
- Develop problem-solving skills.
- Develop coherent lines of argument.
