

LF107-12 Life Sciences Tutorials for GSD

22/23

Department

Life Sciences

Level

Undergraduate Level 1

Module leader

Daniel Franklin

Credit value

12

Module duration

24 weeks

Assessment

Multiple

Study location

University of Warwick main campus, Coventry

Description

Introductory description

LF107-12 Assessments for GSD

[Module web page](#)

Module aims

To begin the development of students' research and transferrable skills through a program of tutorial activities

Outline syllabus

This is an indicative module outline only to give an indication of the sort of topics that may be covered. Actual sessions held may differ.

- A program of tutorials providing guidance and support for development of scientific writing, speaking, researching and problem-solving skills in the context of subject matter drawn from the core lecture modules BS125 and BS129.

- An extended essay on a biological topic.
