

MD30X-120 MBChB Phase 3

22/23

Department

Warwick Medical School

Level

Undergraduate Level 3

Module leader

Paul De Cates

Credit value

120

Module duration

39 weeks

Assessment

100% coursework

Study location

University of Warwick main campus, Coventry

Description

Introductory description

N/A.

[Module web page](#)

Module aims

Preparation for practice as a Foundation doctor.

Outline syllabus

This is an indicative module outline only to give an indication of the sort of topics that may be covered. Actual sessions held may differ.

There are 6 blocks of learning in Phase 3 (year 3) of the MBChB course as follows:

- Student Selected Component 2
- Advanced Cases 2
- Specialist Clinical Placements 1-4

The syllabus of each of the above blocks is provided in the individual block approval forms.

Learning outcomes

By the end of the module, students should be able to:

- By the end of this module, students will have completed a student-selected project (SSC2) and submitted a satisfactory project report.
- Students will also have completed four of their Specialist Clinical Placements during which students should be able to apply their medical knowledge and skills in a competent, ethical and professional manner.

Research element

Student Selected Component 2

Subject specific skills

No subject specific skills defined for this module.

Transferable skills

No transferable skills defined for this module.

Practical classes	78 sessions of 1 hour (6%)
Other activity	280 hours (23%)
Placement	414 hours (34%)
Total	1,200 hours

Private study description

No private study requirements defined for this module.

Other activity description

Project work (self-directed, under supervision) = 280 hours.

Costs

No further costs have been identified for this module.

Assessment

You must pass all assessment components to pass the module.

Assessment group A1

	Weighting	Study time	Eligible for self-certification
--	-----------	------------	---------------------------------

Assessment component

Other	100%		No
-------	------	--	----

Satisfactory completion of Student Selected Component 2 project

In order to progress from Phase III (year 3) to Phase III (year 4) students must also:

1. Complete all of the core curriculum
2. Satisfy the engagement criteria for year 3

There will be no compensation between the engagement criteria, and the written assessment

Reassessment component is the same

Feedback on assessment

Face to face feedback is available to those students who do not meet the pass threshold and is delivered in a timely manner. Individual electronic feedback on performance in the Student Selected Component 2 project will be normally provided within the recommended university time frame.
