

# LF107-12 Life Sciences Tutorials for GSD

**23/24**

**Department**

Life Sciences

**Level**

Undergraduate Level 1

**Module leader**

Daniel Franklin

**Credit value**

12

**Module duration**

24 weeks

**Assessment**

Multiple

**Study location**

University of Warwick main campus, Coventry

---

## Description

### Introductory description

LF107-12 Assessments for GSD

[Module web page](#)

### Module aims

To begin the development of students' research and transferrable skills through a program of tutorial activities

### Outline syllabus

This is an indicative module outline only to give an indication of the sort of topics that may be covered. Actual sessions held may differ.

- A program of tutorials providing guidance and support for development of scientific writing, speaking, researching and problem-solving skills in the context of subject matter drawn from the core lecture modules BS125 and BS129.
- An extended essay on a biological topic.
