## Description

### Introductory description

PH9E3 Topics in Moral and Political Philosophy

[Module web page](#)

### Module aims

The module will offer a critical engagement with key debates in moral and political philosophy. We will examine a range of issues relating to responsibility, democracy, the moral authority of the law, and the fair distribution of property. We will ask what constitutes the basis of moral obligations and moral responsibility and how the authority of the state is supposed to connect individuals and actions.
