Description

Introductory description

This module is offered to students with no prior knowledge of Italian.
This module is the equivalent of Italian 1 + Italian 2 combined.
Due to the 'accelerated' nature of the module, evidence of prior linguistic achievement (e.g. a high GCSE grade or A2 CEFR level in another European language) is essential.
Students will learn the basics of the Italian language.
This will offer an opportunity for students to develop their communicative competence in Italian.
For those students intending to travel to Italy or Italian-speaking areas, either for study or on work placements, this fast-paced module can promote confidence-building for communicating with native speakers abroad and helps you achieve a higher level of proficiency in one year than in non-accelerated modules.
Successful completion of Italian Beginners Accelerated qualifies students to progress to Italian Intermediate Accelerated.
